

# AMBASSADOR MINISTRIES INTERNATIONAL

## Mission & Vision

### MISSION:

*“Reaching the Nations and Equipping the Saints”*

### VISION:

*“The vision of Ambassador Ministries International is to help reach the Nations and equip the Saints.”*

*Reaching the nations* with the Gospel of Jesus Christ is our apostolic/evangelistic commitment.

*Equipping the Saints* of Jesus Christ is our prophetic/teaching commitment.

The vision is accomplished through:

- Bible Teaching
- Healing Ministry
- Gospel Campaigns
- World Missions
- Media Ministries
- Orphanages
- Relief Projects

*Domestic projects* in the Pacific Northwest and throughout the United States major in Bible Teaching, Healing Ministry and Media Ministries, with a view towards the other areas — Gospel Campaigns, World Missions, Orphanages and Relief Projects.

*Foreign projects* outside of the United States major in Bible Teaching, Healing Ministry, Gospel Campaigns, Orphanages and Relief Projects.

At the present time, AMI is focusing its foreign efforts where we have the greatest open doors and the most favor — primarily Nigeria, Pakistan and Thailand. However, we believe that very soon, projects will be established in a number of other nations as well.
